

# REGULATIONS

## **ESET V-4 2019**

### 1. INTRODUCTION

*RACING TREVOR company, Rovinka 596, 900 41 Rovinka, Slovak Republic and the Křenek Motorsport s.r.o., Revoluční 246, 25064 Měšice, Czech Republic (“organiser”) are announcing a 2019 car racing circuit championship ESET V-4 („V4“)*

### 2. LEGAL VALIDITY

*The following rules and regulations apply to the V4 championship:*

- FIA’s International Sporting Code (“ISC”)*
- FIA CEZ Rules*
- Slovak’s national sporting rules (“NSP”)*
- Standard regulations for car racing at the circuits in 2019 (“SP PAO”)*
- Specific regulations of each event*
- V4 Championship Proposition*
- V4 Championship Technical Regulations*
- TWC Cup Cars Technical Regulations (TWC)*

### 3. GENERAL LIABILITY

*All drivers, competitors, organisers and other participants of the V4 pledge in their names, names of their employers, agencies and delegates to abide by the rules, regulations, terms and conditions set by this championship.*

### 4. GENERAL TERMS & CONDITIONS

*a) Each contestant is obliged to make sure that all people under its entry adhere to the rules by ISC, SP PAO, NSP, V4 Championship Proposition, V4 Championship Technical Regulations, its appendices and supplements, specific regulations and continuous regulations. If the contestant cannot attend the event in person, they are required to delegate a deputy in writing.*

*b) All contestant must make sure that their cars comply with the rules and regulations in technical and safety aspects throughout the whole event.*

*c) By attending the technical scrutineering the contestant proclaims that their car*

*is in compliance with technical regulations.*

*d) Every person that is in any way related a car, including everybody in the paddock, pit lane or at the track, must have a corresponding label.*

*e) The contestants are responsible for the behaviour of their drivers, mechanics and accompanying parties. They are also responsible for following all the official information posted by the organiser at the designated place.*

*f) The contestants also pledge to maintain the cars in an appropriate condition so they do not do any damage to V4 championship's image.*

*g) The contestants, drivers, mechanics and all accompanying parties attend the event at their own risk. They also bear a sole civil and criminal liability for any damaged caused by them or their cars unless it is declared otherwise.*

*h) The organiser can clarify or modify each of this regulation for a particular event by using Specific regulations or Continuous regulations at the event.*

## 5. SEASON CALENDAR

*The V4 championship will consist of 11 Sprint races and 5 Endurance races according to the following season calendar:*

*12.-14.04. Hungaroring*

*17.-19.05. Red Bull Ring*

*26.-28.07. Grobnik*

*23.-25.08. Slovakia Ring*

*11.-13.10. Hungaroring*

*The organiser reserves the right to modify the date of each event or to cancel the event completely without giving any reason and without any compensation to affected parties. Entrants will be notified in writing about any changes.*

TWC3: Chevrolet Cruze Cup  
TWC4: Renault Twingo Cup  
TWC5: Mazda MX5 Cup

## 7. ENTRIES

*In V4 there are two cup championships Sprint and Endurance. All the Sprint and Endurance races count towards the overall championship.*

*How to enter the championship:*

- *Applicant must fill an entry form at [www.eset-v4.com](http://www.eset-v4.com);*
- *The organisers will then confirm they have received an entry request for the championship. By filling and signing this entry form, the applicant enters a contractual relationship with organisers;*
- *All the communication proceed exclusively between the competitor and the organiser. The following conditions apply for every V4 contestant: A natural person or a corporate body becomes a competitor after handing over its official application for the V4 series and having this application accepted by the organisers. After signing these applications, the organisers hand them back to the competitors and then they serve as a record of a beginning of this contractual relationship. Each contestant also registers a driver. The contestants are also partners to the organisers in case there are any matters related to the contestant's racing team. All the contestants are also responsible for the behaviour of each and every team member throughout the whole season. To compete in the championship, every contestant and every driver must have a valid national or international racing license issued by SAMŠ or ASN, which is a member of the FIA for 2019.*
- *Any application for the V4 championship must be filed by the contestant.*

*To make sure that the entry list can be completed for the race event, it is necessary to notify the organisers about any changes to the drivers' line-up as soon as possible. In the later stages, it is possible to make changes up until the end of technical scrutineering. Any drivers line-up changes must be reported in writing.*

*Every driver is required to use a special clothing specified by the NSP 2019*

*rules. Filling the V4 entry form does not exempt the competitor from an obligation to also apply for each event individually at the promoters.*

*Entry forms for each event can be filled online at [www.eset-V4.com](http://www.eset-V4.com)*

#### **8. CONDITIONS OF ENTRY**

*Every contestant must meet the following conditions to participate in the V4:*

- To properly register to the V4 championship*
- To adhere to the rules regarding advertising space and a placement of the compulsory advertisement*
- To properly register for each event*

#### **9. CARS**

*Only cars that are compliant with V4 Technical Regulations will be eligible for classification in V4 Cup (Appendix 2 of this Proposition)*

#### **10. COMPULSORY ADVERTISING**

*a) All contestants must allow the organisers to place an advertisement on their cars, according to the pictures. This compulsory advertisement is required by the sponsors of the championship.*

*b) Every contestant will be given one full set of a compulsory advertisement for every entry for free. In case any contestant would need an additional set, they can order them from the organisers for a fee.*

*c) If the car is not fitted by the compulsory advertisement, it won't be classified in the V4 championship.*

#### **11. ADMINISTRATIVE SCRUTINEERING**

- according to the current SP PAO rules*

#### **12. TECHNICAL SCRUTINEERING**

- according to the current SP PAO rules*

#### **13. BRIEFING**

- according to the current SP PAO rules*

#### **14. GENERAL SAFETY**

- according to the current SP PAO rules*

## 15. INTERRUPTION OF QUALIFYING SESSIONS

- according to the current SP PAO rules

## 16. STARTING GRID AND STARTS

- according to the current SP PAO rules

## 17. START PROCEDURES

- according to the current SP PAO rules

## 18. RACES

- according to the current SP PAO rules

*Race Length:*

“Sprint” race length: 2x 25 min

3x 25 min (Hungaroring 4.-6.10.)

“Endurance” race length: 1x 60 min

## 19. INCIDENTS & PENALTIES

- according to the current SP PAO rules

## 20. PARC-FERME

- according to the current SP PAO rules

## 21. POINTS SCORING SYSTEMS

*The V4 championship features five racing weekends (events) in total. Points will be awarded in all classes in both races – Sprint and Endurance.*

*Each race classification is based on the final results of each race. Only drivers racing in the specified categories and with valid entries according to the Point 7 of this Proposition, can score points towards the V4 championship.*

*Each event consists of two\* separate Sprint races and one\*\* separate Endurance race. All races will count towards the overall championship.*

*\* three (Hungaroring 4.-6.10.)*

*\*\* two (Slovakiaring 23.-25.08.)*

*In each race, the drivers will score points towards all their championship classes and categories according to the following scale:*

*Points are awarded as follows:*

*1st / 20pts, 2nd / 15pts, 3rd / 12pts, 4th / 10pts, 5th / 8pts, 6th / 6pts, 7th / 4pts, 8th / 3pts, 9th / 2pts, 10th / 1pt*

*(at least 6 participants)*

*1st / 10pts, 2nd / 7.5pts, 3rd / 6pts, 4th / 5pts, 5th / 4pts, 6th / 3pts, 7th / 2pts, 8th / 1.5pts, 9th / 1pt, 10 / 0.5pt*

*(at least 3 participants)*

*All race results count towards the overall standings of the V4 championship. In case that a driver is disqualified from any race, they receive 0 points towards the overall standings for that race.*

*In the event of any ties for the position, the following conditions will determine the final standings:*

*a) The driver with superior race results in all organised races will gain precedence*

*b) The driver with a better result in the previous race will gain precedence*

## *22. CLASSIFICATION*

*V4 Cup drivers can compete in the following class classifications:*

*Drivers with the most amount of points (for each class) in Sprint*

*Drivers with the most amount of points (for each class) in Endurance*

*V4 Cup drivers can compete in the following categories classifications:*

*Drivers with the most amount of points (for each category) in Sprint*

*Drivers with the most amount of points (for each category) in Endurance*

*V4 Cup drivers can compete for the overall win in the following classifications:*

*Drivers with the most amount of points (for each category) in Sprint and Endurance*

*In case there less than 6 participants in any class or category, that particular classification will be declared as invalid.*

### 23. TROPHIES & CEREMONIES

*Right after the race, The Top 3 drivers from all classes and categories are required to attend the podium ceremony of the unofficial race results based on the final results. It is compulsory. The drivers must wear a prescribed clothing. In case there are any changes to the Top 3 standings in the final results following the announcement of official results, the affected drivers are required to immediately return all the trophies and prizes to the organisers. The organisers will then give the prizes and trophies to the drivers who finished in the Top 3 according to the official final results. There won't be a podium ceremony for any class which featured less than five participants.*

### 24. PRIZES

*Material prizes will be awarded based on the results of the V4's overall championship.*

### 25. PUNISHMENTS

*- according to the current SP PAO rules*

### 26. APPENDICES

*The organiser reserves the right to modify these propositions and excludes any and all liability for direct or indirect damages of any kind in connection with the proposition's changes.*

### 27. TV COVERAGE

*Violent storm s.r.o. company is the official broadcasting partner.*

*The ESET V4 Cup requires teams to fit an informative table in the car that will be visible on the onboard camera during a TV broadcast. This table must contain a logo of the championship's title partner, an official starting number issued for the car, and names of the drivers.*
