ESET iSeries

General regulations

1.Introduction

The ESET iSeries start its first season. The starting field consist of up to 24 drivers and only GT3 cars are allowed.

2.Organisation

Trevor Racing and Krenek Motorsport organise the ESET iSeries for the year 2020. There shall be a driver's and team classification.

2.1Address and contacts

TREVOR RACING, Rovinka 596, SK-90041 Rovinka, gregor.zsigo@gmail.com

KRENEK MOTORSPORT, Revolucni 246, CZ-25064 Mesice, info@krenek.cz

3.Entries

The total number of entries is limited to 24 cars.

Only the real CEZ circuit teams can register.

The maximum number of entries for a team is 3.

Registration stops as soon as the number of participants of 24 drivers has been reached. All following entries are accepted only as reserve driver.

Online application on www.eset-v4.com .

4.Drivers

Only licensed racing drivers (valid / invalid) are allowed to participate. If possible, priority should be given to the team's real driver.

The registered team can freely select and change drivers, but not during the same event.

The drivers have to register under the real name (first name, last name); Pseudonyms are not permitted.

4.1 Reserve drivers

Ranking the reserve drivers according the free practice results bevor each event.

5.Classification

2020 ESET iSeries driver's title: will be awarded to the driver who has scored the highest number of points after all the events.

2020 ESET iSeries team title: will be awarded to the team who has scored the highest number of points after all the events.

Each team with more than two entries must nominate two drivers, which will be considered for the team.

5.1Scale of points

The car placed first will be the one having covered the scheduled distance with his car in the shortest time, including all eventual penalties.

The following points will be awarded:

25-18-15-12-10-8-6-4-2-1

5.2 Equality of points

By equality of points in the final evaluation between several participants the number of 1st, then 2nd and further results is crucial.
