10. Scrutineering/Technical checks

The drivers or their representatives must present their race car and the compulsory driver’s safety equipment at scrutineering. The car must be presented in the configuration as it will be used in the competition (incl. competition-numbers) and it must comply with the applicable technical regulations.

The following car documents must be submitted:

- Technical passport or registration document/motor vehicle registration certificate Part I
- Homologation form
- Certificate for rollover structure

Cars which have successfully passed Scrutineering shall be provided with a special identification by the Scrutineers. Any car failing to comply with the Technical Regulations shall be rejected by the Scrutineers.

The Scrutineers may carry out any kind of checks on the race cars at any time, also immediately before a car leaves the pit lane. The competitors must take this into consideration in their schedule.

The correct presentation of the series sponsors and of the competition numbers as indicated in ESET CUP SERIES Organiser’s Regulations shall be checked at Scrutineering. The participants shall have time until the first Qualifying to execute any adjustments requested. In co-ordination with the Stewards and the Technical Delegate, the scrutineers or ACCR authorised persons may also check cars or car components after an event at a location other than the circuit area. The Stewards will be informed about the results of such checks. The race results remain provisional until the Stewards have decided.

The cost of disassembly or assembly due to post-inspection both during and after an event shall be borne by the competitor concerned.
