Dear Ladies and Gentlemen, Dear Drivers,

on the occasion of the Formula 4 event taking place in the following circuits we would like to inform you that frequency permissions necessary for the respective race tracks, can be applied for directly from us.

*CALENDAR 2023*

08.–09. April - Oschersleben

29.–30. April - Hungaroring

20.–21. Mai - Red Bull Ring

10.–11. June - Slovakia Ring

05.–06. August - Most

09.–10. September - Brno

In case you would like us to support you in this matter, please send us ([info@vanvliet-motorsport.com](mailto:info@vanvliet-motorsport.com) or +49 2431 783 403) the following data:

- 1) Brand of equipment / radio
- 2) Frequencies:
  - Simplex (without repeater)
  - Duplex (with repeater)
- 3) Number of mobile radios
- 4) Number of handheld radios
- 5) Number of repeaters

Terms of payment: Prepayment

FOR INVOICE ISSUING, please provide us with your full company name and address including VAT number.

The frequency fees will only be calculated after the permit has been issued, depending on the scope of the permit, and will then be sent to you.

The application fee for each application is €130.00.

We would be pleased to assist you and remain with

best regards
